## Notes to the reconciliations

Note - A

#### Property, plant and equipment

SLFRS requires to identify components within an item of property plant and equipment and assess useful lives of property pant and equipment at each reporting date.

Accordingly, the Company has identified components and reassessed the useful lives of property plant and equipment. The resultant impact is adjusted to retained earnings at the transition date as follows;

### Other Investments

In accordance with the SLFRS, treasury bills and bonds classified as available-for-sale have been recognized at fair value. These assets were previously carried at cost. Fixed deposits were reclassified from cash and cash equivalents and are classified as loans and receivables and recognized at amortized cost.

At the date of transition, the fair value of the treasury bills classified as available-for sale financial assets were adjusted to opening reserve. Impact of financial statements is summarized as follows.

### Note - C.1 Other receivables

The Group provides loans to employees at concession rates. In accordance with SLFRS, these employee loans are fair valued at initial recognition using level 2 inputs. The fair value of the employee loans are determined by discounting expected future cash flows using market related rates for the similar loans.

The difference between the cost and fair value of employee loans is recognized as prepaid staff cost.
